| Local Funds | \$8,000 | 07 | | | | |
| Total | \$8,000 | | | | | |

Detailed Project Description and Justification:

Funding will be used for safety upgrades and access road improvements at the Tony Hrebar Memorial Shooting Range in Sitka. The facility is owned and operated by the City and Borough of Sitka. This request will primarily fund grading, drainage and other entrance road improvements to better accommodate access to this heavily used community facility. Local funds would be used to match the state appropriation.

The City & Borough of Sitka has been working over the past several years with local user groups and the NRA to improve and upgrade the Tony Hrebar Shooting Range. Previous NRA grants have been used to resurface the ranges (with D-1) and to make additional facility safety and infrastructure improvements.

The City and Borough of Sitka used a previous state appropriation of \$50,000 (FY07) to complete several critical safety upgrades to the facility. The list of improvements have included:

- Aluminum "Range Rules" signs
- Brass Collection Bins
- Ground Flush Yardage Markers
- Gun Racks
- Raise Range Median & End Berms
- Shelter Upgrades
- Replace Tables
- Construct Skeet Area (this may involved an expansion of the lease area CBS has)

Improvements to the road leading to the shooting range would be the next phase of this multi-phased improvement plan.

Project Timeline:

FY08/FY09

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

City & Borough of Sitka
